Persistent Memory

SNIA SSSI | SOLID STATE STORAGE

Physical Storage

SNIA Solid State Storage Initiative

- ◆ Dedicated to advancing the acceptance and growth of Persistent Memory and Solid State Storage in the marketplace via education, market outreach, and influencing and promoting standards.

- ◆ More information at www.snia.org/sssi

WHAT SSSI MEMBERS DO

✓ Demonstrate Persistent Memory and Flash Technology solutions worldwide at 15+ technology events each year

✓ Author and publish white papers and articles

✓ Blog on hot storage topics

✓ Produce highly-rated industry webcasts

✓ 7,500+ viewers have seen Solid State Storage and PM webcasts

Experience Google Cloud

GCP VMs with Optane memory are now available in limited quantities for interested customers.

Register here to join our alpha program.

For any questions, contact Michelle Xu

michellex@google.com

We are here helping with large infra planning.

Various B2B partnership opportunities are open.

Google Cloud is also hiring!

SNIA Vision and Mission

Vision Statement

⬥ Be the globally recognized and trusted authority for storage leadership, standards, and technology expertise.

Mission Statement

⬥ Lead the storage industry worldwide in developing and promoting vendor-neutral architectures, standards, and educational services that facilitate the efficient management, movement, and security of information.
